MOTION BY SUPERVISOR ZEV YAROSLAVSKY

July 25, 2006

Community groups and organizations provide an invaluable service to the residents in the Third Supervisorial District, and the allocation of funding for these programs is dependent on stable and on-going resources. Unfortunately, due to recent federal reductions to the Community Development Block Grant (CDBG), several organizations have experienced a decline in funding level. To ensure that these programs can continue operations at their current level, the FY 2006-2007 Budget included enhanced funding for CDBG programs countywide, including \$13,000 set aside in the Provisional Financing Budget Unit for Third District grantees.

**I, THEREFORE, MOVE** that the Chief Administrative Officer transfer the amount of \$13,000 currently in the Provisional Financing Budget Unit to the Board of Supervisors Budget Unit to restore funding to Community Groups and Organizations in the Third District.
